**PROGRAM ADMINISTRATION**

The Office of Strategic Planning, through its neighborhood based partners, will administer and implement the Down Payment and Closing Cost Assistance (DPCC) / First Time Home Buyers Program. The City receives CDBG funds from the federal Department of Housing and Urban Development and uses these funds to provide assistance to first time homebuyers. Loan funds will be issued through the City of Buffalo Urban Renewal Agency,

**Purpose**

The goal of the DPCC / First-Time homebuyer's Program is to expand home-ownership opportunities by providing financial assistance to low and moderate income first-time homebuyers for closing costs related to the purchase of their first home. **Funds are provided as an interest-free conditional grant/loan with a five-year term that is secured by a second mortgage on the property.** You need not make any monthly payments toward this loan unless your home is sold, or transferred before the end of the term. In those cases, the full amount of the loan will have to be repaid. If you reside in the property as your principal residence for the full five years, and meet all other program obligations, at the end of the five-year term, the loan will be forgiven.

**Eligibility**

1. The applicant must be an income-eligible first-time homebuyer, that is, an individual and his or her spouse who have not owned a home during the three-year period prior to purchase of a home (see Definitions, below).
2. The property must be a **one-family** dwelling located in the City of Buffalo that is in generally good condition with no major housing code violations or lead based paint hazards.
3. Verification of household income must be supplied. To qualify, applicant households must meet the federal income guidelines for low income households.

**No application will be processed until all necessary, required documents for the program are submitted to the Office of Strategic Planning Division of Housing staff.**

**Financial Assistance Limits and Terms**

Funding will be provided as a deferred payment, zero percent interest (0%) loan/conditional grant of up to \$5,000.00. If the purchaser resides in the home for the full five-year term of the loan, the loan will be forgiven and no repayment is required.
